HISTORICAL BOILERS LICENSING BOARD**

**MEETING MINUTES**

The Historical Boilers Licensing Board met on March 23, 2011 at the offices of the Division of Industrial Compliance & Labor, 6606 Tussing Road, Reynoldsburg, Ohio 43068.

I. Call to Order

The meeting was called to order at 10:00 a.m. and the following members were present:

II. Roll Call & Swearing In of New Board Member

**Board Members:**

Jim Lashaway, Chairman  
Bruce Babcock  
Dean Jagger  
Dan Rufener  
John McDowell  
Richard Oeder

III. Old Business

Legal Counsel

Jim Turner was introduced to the Board as the new Division Counsel. He reported on his background and advised members that he would need additional time to review the MAWP document.

Review of Last Meeting Minutes

After discussion, it was suggested by Mr. Babcock that more discussion of the boiler owner's group be included in the minutes. Therefore, the minutes of October 2010 were tabled.

Safety Valve Data

Board members discussed collecting data from both stamped safety valves and actual data collected from boilers in the field. The current ORC/OAC does not indicate that valves need to be V-stamped. Mr. Jagger suggested that a document similar to the MAWP document is crafted so that during inspections, they are able to accept the older style valves that are approved by the National Board. Some of the data to collect would be unit itself, size of valve, procedure for firing, etc. It was determined that all members would collect data, but that Mr. Rufener will be the primary individual looking at the FRA to determine if a similar procedure can be used.

IV. New Business

Approved Courses

Mr. Jagger reported to the Board that no new schools submitted applications for review.

2011 Inspections

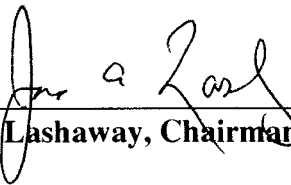

Mr. Jagger reported that 21 engines were coming due for inspection; however, none were yet actually scheduled for their inspections.

V. Schedule next Board Meeting

The next meeting will be October 19, 2011 at 10:00 a.m.

VI. Adjourn

Mr. Oeder made a motion to adjourn the meeting and Mr. Babcock seconded the motion, which passed unanimously
