

1301:3-2-03 Examination for plumbing inspector certification. No change.

- (A) Application for examination for certification as a plumbing inspector shall be made in writing to the superintendent at least thirty days prior to the date on which the examination will be given, on a form prescribed and furnished by the superintendent. No applicant shall be examined who submits false, incorrect, or incomplete information in his application for examination.

- (B) The prerequisites for the plumbing inspector examination shall be as follows:
 - (1) High school education or equivalent; and
 - (2) Seven years of practical experience in the installation of plumbing; or

- (3) A professional engineer pursuant to section 4733.01 of the Revised Code and three years of experience in plumbing system design, estimating, or supervision of plumbing systems installations.
