

Ohio Board of Building Standards **Recognized Accreditation Bodies** **Revised: Dec. 29, 2017**

The following represents the list of Ohio recognized Accreditation Bodies created in accordance with the provisions of section 114 of the Ohio Building Code (O.B.C.) and the Residential Code of Ohio (R.C.O.). The intent of this list is to identify those bodies that accredit conformity assessment bodies such as testing labs, product certification bodies (evaluation services and listing agencies), inspection agencies, field evaluation bodies, fabricator inspection agencies, and special inspection agencies, calibration laboratories for materials or assemblies, and Industry Trade Association Certification Programs.

The accreditation bodies listed are recognized by the Board of Building Standards in accordance with Ohio Administrative Rule 4101:7-6-01, Criteria for Board Recognition of Accreditation Bodies, Conformity Assessment Bodies, and Industry Trade Association Certification Programs, effective July 1, 2014.

The next triannual renewal expiration date is July 1, 2020. Any new applications, renewals or changes in accreditation status and other informational changes occurring prior to the expiration date shall be provided to the Board using application forms available on the Board's website at:
