

Historical Boiler Licensing Board

ISSUE 1

April 2015

Next Board Meeting:

October 21, 2015

10:00 a.m. Training Room #2

Department of Commerce

Division of Industrial Compliance

6606 Tussing Road

Reynoldsburg, OH 43068

Mission of the Historical Boiler Licensing Board:

The Historical Boiler Licensing Board ensures public safety through the adoption of rules governing the criteria that inspectors of historical boilers utilize in determining the safe operation of historical boilers. In addition, the board approves historical boiler operator courses and issues operator licenses to those individuals qualified to operate historical boilers in public.

OAC Rules 1301:3-4 Historical Boiler Rules

Historical Boiler Licensing Board

ISSUE 1, April 2015

Basic Information:

Inspection Procedures:

Historical Boiler Pre-Inspection Criteria
COLD IRON

It is recommended to schedule inspection with a minimum of 30 day advance notice.

PHASE ONE Have boiler full of water and ready to hydro.

Note: Have test gauge and pump ready.

Safety valve removed and opening blanked\ flanged off.

PHASE TWO Drain and open boiler for internal inspection.

Note: Grates should be removed prior to hydro.

If dry bottom, ash pan should be removed prior to hydro.

Internal surfaces should be cleaned prior to hydro.

1. Open all handholes and manholes.
2. If bolted, remove steam dome cover.
3. Remove fusible plug (Have new plug ready to install)
4. Remove caps\plugs from crosses and tees on pipe connections.
5. Assure all hand valves will open and close properly.
6. Be prepared to remove pipe and fittings as requested.

Have copies of the following information on hand for the inspector.

1. Any technical references related to the boiler.
2. Any current or past inspection documentation.
3. Any documentation concerning past repairs

Highlighted Topic

A note from the Chairman:

Thank you for taking the time to read the Historical Boiler Licensing Board newsletter. The intent of this newsletter is to inform the public of the board's purpose, supply information, and notify interested parties of approved professional development courses. The board intends to send 2 newsletters each calendar year. We would like your feedback. Please let us know what topics are of interest to you and we will do our best to include them in our upcoming newsletters.

Best regards,

Jim Lashaway – Chairman HBLB
