This rule lists the standards that are referenced in various paragraphs of this code. Such standards shall be incorporated by reference into and considered part of the requirements of this code to the prescribed extent of each such reference. The standards are listed herein by the promulgating agency of the standard, the standard identification, the effective date and title, and the section or sections of the adopted document that reference the standard. The application of the referenced standards shall be as specified in paragraph ~~(B)(6)(102.6)~~(B)(7)(102.7) of rule 1301:7-7-01 of the Administrative Code.
