Dear Applicant:

Enclosed with your Flammable and Combustible Liquid Storage tank application are two additional forms, the Declaration Regarding Material Assistance/Nonassistance to a Terrorist Organization (DMA) and the United States Department of State Terrorist Exclusion List (TEL).

The DMA form serves as a declaration of whether you have or have not provided material assistance to a terrorist organization or organization that supports terrorism as identified by the United States Department of State via the TEL. As required by Senate Bill 9 of the 126th General Assembly, the DMA form must be completed in full, signed by the applicant, dated and returned with your completed renewal application and fee payment. Per R.C. 2909.32(C)(1), “[a]ny answer of "yes" to any question, or the failure to answer "no" to any question ... shall serve for purposes of this section as a disclosure that the applicant has provided material assistance to an organization listed on the terrorist exclusion list.” In accordance with that section, the State Fire Marshal is prohibited from issuing a license, certification or permit if a “yes” answer is given to any question or you fail to answer “no” to a question. Please also note that the failure to disclose the provision of material assistance to an organization on the TEL list or knowingly making false statements regarding material assistance to such an organization is a felony of the fifth degree.

Refer to the DMA form enclosed for additional instructions. The TEL list is provided for your information and does not need to be returned with your application.

Thank you for your cooperation with these additional requirements. If you should have any additional questions regarding this matter, please feel free to contact the Code Enforcement Bureau at (614) 728-5460.

Sincerely,

Patrick Wambo, Bureau Chief
