

## WE NEED YOUR HELP

The Division of State Fire Marshal is committed to bringing you timely information about training opportunities at the Ohio Fire Academy, events and fire service news. In an effort to increase efficiency and to reduce printing and mailing costs, we would like to deliver this information to you through email.

Please help us build a comprehensive statewide email list for Ohio's fire service by providing contact information for your fire department. The emails can be delivered to your chief, assistant chief, training officer, designated personnel or all of the above. There is no limit to the number of people you can add to the mailing list, and you may include work or home email addresses (or both). Rest assured that these email addresses will not be sold or distributed for outside purposes.

Sign up for the email list today by sending your name, email address, fire department name and location to:

**[karen.bowman@com.state.oh.us](mailto:karen.bowman@com.state.oh.us)**

If you have any questions regarding this request, please contact Karen via her email address or by phone at 614-995-5791. We encourage you to keep your email address current.

Thank you for assisting us with creating our new email list. We look forward to helping you better serve Ohio citizens and communities.
