**Ohio Class "C" Underground Storage Tank Operator Training
Instructional Material, Evaluation and Certificate Form**

The purpose of this form is to document that employees designated as Class C operators have completed training required by Ohio Administrative Code Rule 1301:7-9-19. Class C operators are responsible for the initial response to alarms or other indications of emergencies at a facility. Class C operators shall complete the following questions:

- 1) Have you received training identifying the telephone number to call the fire department for this facility and is this number posted in a clearly visible location?
 Yes No
- 2) Have you received training identifying the list of company people who should be notified in an emergency and is this list posted in a clearly visible location?
 Yes No
- 3) Have you received training identifying the actions to take concerning the Emergency Shut off Switch?
 Yes No

NOTE: The emergency stop switch shuts off power to all the dispensers and fuel pumps. The emergency stop switch is different from the "Stop" or "All Stop" button on the point-of-sale (POS) console. The emergency stop switch is required by national fire codes. Contact a qualified petroleum storage system service contractor if you cannot locate the emergency stop switch.

- 4) Have you received training identifying how to respond to various alarm messages that may appear on the display of the tank monitoring system?
 Yes No

Note: If you do not know how to read the display or what messages to expect if there is a problem with the storage system, look in the tank monitor manual to find this information or call a qualified petroleum system contractor and have him or her explain this information to you.

- 5) Have you received training identifying how to locate and properly recognize the following items: dispenser, hose, nozzle, and breakaway coupling?
 Yes No

Class C operator name: _____

Class C operator signature: _____ Date: _____

Name of the Class A or B operator approving the Class C training: _____

Name of party administering training: _____

Name and address of the facilities where training is applicable:

All Class C operators shall complete this form no later than August 8, 2012, or before assuming responsibilities as a Class C operator. Owners shall maintain this form and make it available to the state fire marshal upon request. Completing this form meets the requirements of paragraphs (D)(3)(e) through (g) of rule 1301:7-9-19 of the Administrative Code. No passing score is necessary to meet the requirements of rule 1301:7-9-19 of the Administrative Code.
