Note:

- Applicators apply different types of lining products. Be sure to use an Applicator that is right for your job.
- Applicators examine the UST and lining and can also apply the lining product and make repairs to the lining product.
- Evaluators examine the UST and lining but do not apply the lining product or make repairs to the lining product.
- BUSTR listed Applicators and Evaluators perform work that meets BUSTR cathodic protection requirements.
- Not all Ohio Fire Code listed Applicators perform work that meets BUSTR cathodic protection requirements.
- Be sure to obtain a permit prior to performing lining work.
- Contact Steven Krichbaum of BUSTR at (614) 752-7921 if you have any questions.
