

Ohio Board of Building Standards Industry Trade Associations [Revised: December 31, 2020]

The following represents the list of Ohio recognized Industry Trade Associations created in accordance with the provisions of section 114 of the Ohio Building Code (OBC), the Residential Code of Ohio (RCO), and the accreditations of its third-party auditors, plant quality assurance and certification program policies. The intent of this list is for use by certified building departments wherever the OBC and RCO require the testing, inspection, labeling or grademarking of materials or assemblies and conformance to industry standards. Whenever a certified building department receives documentation from Industry Trade Associations, the building department must review this list to determine if such content is from one of the recognized Associations listed herein.

The industry trade associations listed are recognized by the Board of Building Standards in accordance with Ohio Administrative Rule 4101:7-6-01, Criteria for Board Recognition of Accreditation Bodies, Conformity Assessment Bodies, And Industry Trade Association Certification Programs, effective January 1, 2018.

Underlined agencies listed below have renewed their Board recognitions based on their current accreditation status for the 2020 triannual renewal cycle. Any bodies having not renewed for the 2020 Renewal shall submit their information to the Board as soon as possible to ensure continued listing by the Board.

Accredited bodies are subject to a triannual renewal where the next expiration deadline is set for **July 1, 2023**.

Any newly secured accreditations, renewals or changes in accreditation status or other pertinent data changes of the accredited body shall be submitted to the Board in a timely manner to ensure the accuracy of the Boards database. These changes shall be provided by the accredited body to the Board using the application form located at: http://com.ohio.gov/documents/dico_210.pdf
