Standards of Practice & Canons of Ethics for Ohio Licensed Home Inspectors

Within the law requiring Ohio home inspectors to be licensed, the Ohio Legislature required the Ohio Home Inspector Board to prepare Standards of Practice & Canons of Ethics that all Ohio licensed home inspectors must follow. Below are links to the Standards of Practice rule and the Canons of Ethics rules. Make sure you review these rules as they are now effective and incorporate them into your daily home inspection practice.

Standards of Practice Rule – <https://www.com.ohio.gov/documents/1301.17.1.17-StandardsofPractice.pdf>

Canons of Ethics Rule - <https://www.com.ohio.gov/documents/1301.17.1.16-CanonsofEthics.pdf>
