

Consumer Complaint Form

The Ohio Division of Financial Institutions, Office of Consumer Affairs welcomes written complaints, together with supporting documentation, that involve companies regulated by this office. Written complaints may lead to a resolution of problems when consumers have been unsuccessful on their own. While the Division will make every effort to help address consumer complaints, please understand that filing a complaint does not guarantee the matter can or will be resolved through the enforcement authority of the Division.

The Division does not have authority over all companies or issues. If the company or issue does not fall under the Division's jurisdiction, the complaint may be referred to the appropriate regulatory agency or rejected with an explanation.
